Directions for completing this notice

1. The name of the planning authority to which the planning application will be made should be inserted here.
2. The name of the applicant for permission (and not his or her agent) should be inserted here.
3. Tick as appropriate. The types of permission which may be sought are (a) permission, (b) retention permission, (c) outline permission, (d) permission consequent on the grant of outline permission. If this type of permission is sought, the reference number on the planning register of the relevant outline permission should be included.
4. The location, townland or postal address of the land or structure to which the application relates should be inserted here.
5. Delete as appropriate. The present tense should be used where retention permission is being sought.
6. A brief description of the nature and extent of the development should be inserted here. The description shall include:-
 - (a) where the application relates to development consisting of or comprising the provision of houses, the number of houses to be provided. 'Houses' includes buildings designed as 2 or more dwellings or flats, apartments or other dwellings within a building.
 - (b) Where the application relates to the retention of a structure, the nature of the proposed use of the structure and, where appropriate, the period for which it is proposed to retain the structure,
 - (c) Where the application relates to the development which would consist of or comprise the carrying out of works to a protected structure or proposed protected structure, an indication of that fact.
 - (d) Where an environmental impact statement has been prepared in respect of the planning application, an indication of that fact.
 - (e) Where the application relates to development which comprises or is for the purposes of an activity requiring an integrated pollution control licence or a waste licence, an indication of that fact,
 - (f) Where a planning application relates to development consisting of the provision of, or modifications to an establishment within the meaning of Part 11 of these Regulations (Major Accident Directive), an indication of that fact..
7. Either the signature of the applicant or the signature and contact address of the person acting on behalf of the applicant should be inserted here.
8. The date that the notice is erected or fixed at the site should be inserted here.

ARTICLE 19 OF PLANNING AND DEVELOPMENT REGULATIONS 2006

1. A site notice erected or fixed on any land or structure in accordance with article 17(1)(b) shall be:-
 - (a) in the form set out at Form No. 1 of Schedule 3 or a form substantially to the like effect.
 - (b) Subject to sub-article (4), inscribed or printed in indelible ink on a white background, affixed on rigid, durable material and secured against damage from bad weather and other causes, and
 - (c) Subject to sub-article (2), securely erected or fixed in a conspicuous position on or near the main entrance to the land or structure concerned from a public road, or where there is more than one entrance from public roads, on or near all such entrances, or on any other part of the land or structure adjoining a public road, so as to be easily visible and legible by persons using the public road, and shall not be obscured or concealed at any time.
2. Where the land or structure to which a planning application relates does not adjoin a public road, a site notice shall be erected or fixed in a conspicuous position on the land or structure so as to be easily visible and legible by persons outside the land or structure, and shall not be obscured or concealed at any time.
3. Where a planning authority considers that the erection or fixing of a single site notice is not sufficient to comply with the requirements of sub-articles (1) and (2), or does not adequately inform the public, the authority may require the applicant to erect or fix such further site notices or notices in such a manner and in such terms as it may specify and to submit to the authority such evidence as it may specify in relation to compliance with any such requirements.
4. Where a valid planning application is made in respect of any land or structure, and a subsequent application is made within 6 months from the date of making the first-mentioned application in respect of land substantially consisting of the site or part of the site to which the first-mentioned application related, in lieu of the requirements of sub-article (1)(b), the site notice for the subsequent application shall be inscribed or printed in indelible ink on a yellow background and affixed on rigid, durable material and be secured against damage from bad weather and other causes.

ARTICLE 20 OF PLANNING AND DEVELOPMENT REGULATIONS 2006

In addition to the requirements of article 17(1)(b), a site notice shall be maintained in position on the land or structure concerned for a period of 5 weeks from the date of receipt of the planning application by the planning authority, shall be renewed or replaced if it is removed or becomes defaced or illegible within that period and shall be removed by the applicant following the notification of the planning authority decision under article 31.
